

Appliqués Pricelist

The contemporary designs of Appliqués by Architexture will enhance the look of any room, whether you are looking for that subtle touch of class or an eye-catching design. With a simple application process you can achieve a tremendous visual impact or create a striking focal point, in any room. Appliqués are easily painted and applied. Since the color is selected by the installer, creativity is limitless: subtle and soft, or boldly contrasting color schemes, metallic, sheens and much more. Choose from any of the following designs:
